Cluster 71 Number of tweets = 451 71/100

A word cloud visualization for Cluster 71, consisting of approximately 451 tweets. The words are colored in various shades of green, blue, red, and orange, indicating different semantic clusters or topics within the data. The most prominent words include 'chem', 'chemistry', 'chemical', 'textbook', 'understand', 'syrian', 'crying', 'make', 'one', 'year', 'assad', 'second', 'work', 'make', 'take', 'open', 'think', 'still', 'attack', 'evidence', 'living', 'people', 'try', 'school', 'today', 'amp', 'better', 'even', 'summer', 'together', 'homework', 'timeread', 'thanks', 'everyone', 'idlib', 'youtube', 'readyZone', 'class', 'right', 'going', 'happy', 'really', 'well', 'romance'. The size of each word represents its frequency or importance within the cluster.

A second word cloud visualization for Cluster 71, showing a different set of terms. The words are colored in various shades of green, blue, red, and orange. The most prominent words include 'still', 'understand', 'natural', 'intense', 'epa', 'sued', 'trying', 'understand', 'pollinators', 'new', 'understand', 'something', 'anyone', 'understand', 'queens', 'stone', 'chem', 'makes', 'fly', 'zone', 'finally', 'understand', 'stone', 'age', 'rsc', 'launch', 'chem', 'summer', 'better', 'living', 'launch', 'new', 'chemical', 'safety', 'intense', 'chemistry', 'thanks', 'chem', 'new', 'chemical', 'attacks', 'syrian', 'cat', 'ncat', 'chem', 'unit', 'database', 'children', 'chemical', 'understand', 'chem', 'textbook', 'actually', 'understand', 'everyone', 'else', 'chem', 'textbook', 'living', 'chemistry', 'anyone', 'chemistry', 'service', 'chemistry', 'read', 'chem', 'chemistry', 'charts', 'chem', 'today', 'hot', 'chemistry', 'teaching', 'chem', 'good', 'day', 'something', 'chem', 'sued', 'endangering', 'chemical', 'cocktail', 'even', 'understand', 'ready', 'chemistry', 'idlib', 'province', 'endangering', 'pollinators', 'textbook', 'school', 'summer', 'assignment'.

probably many semester
professor done thing exams
test feel even biology hated burning
wtf forever subject want dont man seriously
grade math literally class fucking lol teacher everything
homework always love words going
need chem hope passions school
actually chemistry know please history
tbh never lab anything
still take fuck amp physics day science
good cry nothing wow year
understand two glad god

never hated
hate biology
chemistry need chemistry man
next year burning passion chemistry homework
love chemistry chemistry class hate hate chemistry like
chemistry fucking chemistry teacher reason hate
nothing hate chemistry even chemistry hate hate life
really fucking hate chemistry lol fucking hate really hate
want cry chemistry passion feel like chemistry dont
biology hate literally hate chemistry burning
sophomore year in words chemistry actually
words hate chemistry wtf
absolutely hate chemistry life

use test
learned inequality stop
depression well fucking important
pretty changes change girl school show
sensitive bad fucking
never science today tomorrow find always sure
behind new excited via like amp people class say
video read love makes fuck labs brain one anxiety guy
real think someone else see everyone
anyone water social
trying life sexual chemical really time mean
confidence lol two next chem make even dont
everything thing morning want altering
drugs things good know great physical depressed
positively gonna mental high though best
right work addiction

components addiction
imbalanced brain chemistry want
mental illness chemistry chemistry learned
chemistry medium faking confidence chemical components
merger acquisition amazing sexual altering brain chemistry change
social amp fucked brain great sexual tomorrow morning china petroleum
chemistry deepak makes sensitive someone science
chemistry change brain today chemistry makes attracted
physical amp influence brain sexual chemistry pisces sexual
attracted someone chemistry naturally
two chem behind sexual chemistry science behind
think practice change life amp chemical excited chem psycho social
automatic sexual chem labs alter brain petroleum amp
stocks merger feel sexual fuck chem chemistry make heal psycho
influence chemistry makes anyone else changes brain practice brain
chemistry paper confidence positively alters brain deepak chopra
sensitive inequality screwed chem never thought
chemistry important leo pisces
chemistry someone

today season
take movie players
already
real bad
please match
two well
chemistry everyone
think
though
seem pretty
talk come feel
go going
episode chem great
person together
actually
everything show like
plus someone amp help need
anybody know people exam guys
sex study day hey shit
understand win
that's mean always
one love test pls
team thought
anyone line year
see
never willing
make wants
amp lol

love watching chemistry somebody
chemistry person
chemistry actors build good chemistry love
please help chemistry tho chemistry please chemistry like
chemistry wants pretty good actually good chemistry last
sex good anyone really someone good chemistry need
team good really good chemistry help two good
chemistry well anybody really
chemistry even looks really
chemistry together need help chemistry test
chemistry willing amp good anyone good willing help
couple good chemistry exam wants help help study
anybody good like good
chemistry good know good
chemistry everyone

screwed
arlington help exam tomorrow
awesome today job shit thought test wanna
real people
lab want days questions math thing
pharmaceutical everything chem never part
class love chemistry amp major
studying see grade jobs two omg university
know one analytical else research
course read lol likeever lost science
physics whole chemical hours technician
teacher study analysis team anal going
worth

chem major
see chemical whole chem
two days everything else
never thought questions chem
analytical chemistry
chemistry everything
college chem people chem
like everything everything want

Cluster 99 Number of tweets = 541 99/100

morning right since
understand right might last guess
wanna good amp excited think
shit semester dont new gonna people night
definitely day lab year first time bad like best
everyone life test well chemistry also miss
exam actually going chem feel really hours
fact said love student chem every class taking
honors back tomorrow take still next god talk
real period need school idea breaking know ever course
honestly anyone even want never took
major english physics one bio make watch
teacher today two summer made happy study

still know
chemistry kiss taking chem time try
even take tomorrow morning honors chem
chem take first period chemistry student talk mentally
ever take school chem chemistry still chem physics
never take next year dont take breaking bad take chem
double chem ready take
first thing old school
excited take time walk chem feel chemistry test chem last year
lab chem chemistry first well chemistry know feel
going take chem next gonna take
chem college every time tomorrow lol chemistry first well chemistry
mentally wanna watching breaking
chem summer wanna feel chem dont juniors seniors
anyone take decided take excited chem

Cluster 100 Number of tweets = 359 100/100

work went ugh
never going monday way
probably grades fuck everything
teacher fucking tomorrowlike stress yeah
already point even mathliterally know thing
anything lastlol really exceptlab almost every taking
gonna cry today final **chem** first need excited
love since test life stilllater year crying
half bioschool **done hate** classes study
amp actually day labs want good class spent
honestly happy officially chemistry semester
packet exam rest passion plus quarter
ever less physics

maybe hate later finally
one done every single day life
teacher actually chem chem hours later chem final
chem exam almost done finally done hate school
chem really chem still
really hate **still chem hours chem chem still**
chem since chem lab except chem actually fckin
classes except chem good **done chem** want done
chem good fucking hate
chem less **hate chem** officially done
lab forever final chem first chem chem math test still
chem packet chem forever chem test
chem hate want chem fucking done
chem today chemistry hate ever done less teacher
literally hate
